

CITY OF HARRISBURG SELECT PARK/PLAYGROUND RENOVATION PROJECT

USER SURVEY & QUESTIONNAIRE ROYAL TERRACE PARK

YOUR INPUT IS NEEDED:

The City of Harrisburg is committed to providing its residents with places to play like neighborhood parks and playgrounds. We realize these areas must be safe, maintained, and provide a variety of recreational opportunities, from play structures/swings and courts to gathering areas and open lawn. This current project has potential to enhance and upgrade 5 City parks/playgrounds and with proper planning and community involvement they can meet the needs of as many residents as possible. Maintained recreation areas increase the appeal and wellness of neighborhoods.

PARK LOCATION & AERIAL:

As a potential user and stakeholder of the Royal Terrace Park, your opinion is both respected and needed during the planning process and the development a Final Renovation Plan. *What would be in your ideal playground? Do you have a vision for the Royal Terrace Park?* Please complete this survey so we can find out what is important to you as we prepare the Final Renovation Plan.
