2023 Year

**59.5 TONS**

Of waste removed

Total

**= 70 TONS**

Of waste removed

Thank you to everyone that supported Harrisburg City Council's Hot spot Saturdays community clean ups. Together we have been able to remove over 70 tons of waste and illegal dumping materials out of our neighborhoods. You can join the fight by registering to be a volunteer for the 2024 season. Thank you!

Greetings from the City of Harrisburg's Public Safety Chair,

Greetings. My name is Councilman Ralph Rodriguez Sr. I Drafted Hot Spot Saturday's nearly three years ago. As chair of the public safety committee, I felt the need to mitigate illegal dumping throughout our city. Rectifying illegal dumping, and restoring the beautification of the city is a top priority of mine. Passing the resolution unanimously through City council, HotSpot Saturday's was born. After two seasons and only twelve days of service, volunteers have been able to remove seventy tons of trash, waste, and illegal dumping materials out of our Neighborhoods. This is a huge win for the residents of the City of Harrisburg.

Through a partnership with LCSWMA, and the City of Harrisburg's Public works department, this initiative has been able to save the residents tens of thousands of dollars. Those funds can now be put back into the most important area of the city "Our Communities". I'm sending you this information because HotSpot Saturdays is back for the 2024 season. Below are the projected dates for this year's initiative. Within the coming weeks, we will release specifics such as times and exact locations we will clean up. For now please accept my many thank you's on behalf of the City Council and we look forward to working with you all soon.

**2024 Hotspot Saturday Dates: April 20th, (Earth Day Cleanup), May 18th, June 29th, July 20th, August 24th, September 7th (Labor Day Cleanup) From 10-12 p**

Best Regards,  
**Ralph J Rodriguez Sr**  
Chair, Public Safety Committee  
Harrisburg City Council
