

Plumbing Permit Instructions:

- Contractors applying for a plumbing permit must have a valid Master Plumbers License or documentation from the Master Plumber granting the approval for a Journeyman Plumber to secure a plumbing permit. All plumbers must possess a license issued by the City of Harrisburg.
- All Master Plumbers must possess valid liability insurance.
- Complete all information on this application.
- Ensure Description of Work is thorough enough for permit approval.
- Plumbing work conducted on properties in a flood plain must comply with flood plain regulations.
- If any part of the plumbing system is being changed, i.e. major components, the property must be brought into compliance with the *minimum city code requirements*.
- If a property is placarded for water termination, a plumbing permit will not be issued until the placard is lifted.
- For commercial installations, sealed blueprints prints must accompany the permit application.
- **All Master Plumbers must possess a valid *Mercantile License*.**
- **Application Fees:**
 - Commercial = \$100
 - Residential = \$75
- **Plan Review and Inspection Fees:**
 - Commercial = \$10.00 per \$1,000
 - Residential = \$8.00 per \$1,000
- Sign and date your application.
