

Bellevue Park Association

BELLEVUE PARK ASSOCIATION BOARD OF DIRECTORS

Resolution Adopted August 13, 2024

Commending the City of Harrisburg for Hurricane Debby Tornado Cleanup Efforts:

The Bellevue Park Association Board of Directors commends Mayor Williams, Director of Public Works Dave West and all the City of Harrisburg Workers who have worked so hard and exhibited such compassion and caring to our residents.

The City has gone above and beyond the call of duty to help us during the disaster, and challenges so many of our residents are facing. Sometimes we are too eager to complain about things and it's only appropriate that we say thanks to the City Workers, and to the Mayor for her leadership and caring.

A handwritten signature in black ink, appearing to read 'DK', written in a cursive style.
