VENDOR APPLICATION RULES AND POLICIES

1. Acceptance: Submitting an application does NOT guarantee you a space. The City will accept a limited number of vendors for this event. Having been accepted to past festivals does NOT guarantee you a space, seniority or any special acceptance privileges. Applications will be reviewed by the events team and vendors will be selected based on a number of criteria including: proposed items, completeness of application, space & electric requirements, appearance of stand, and adherence to rules. Preference may be given to event sponsors, City businesses, uniqueness of items and the order in which applications are received. If you are a new vendor, you may be requested to supply two references from a minimum of two other events. All non-compliant applications will be returned as incomplete. Once accepted, your vendor fees must be submitted to the City by Friday, January 31, 2025. If payment is not received by this deadline you risk losing your space to another vendor.

2. Cancellation/Withdrawal Policy: All cancellations/withdrawals must be submitted in writing by Friday, January 31, 2025. Regardless of cancellation date, the vendor is still responsible for paying their vendor fee for the contracted amount if a replacement cannot be found. After receipt of fee, no refunds will be made under any circumstances.

3. Licensing & Permits: Accepted vendors must have a valid City of Harrisburg Vendor/Special Event License (\$50 annually). If you have participated in City events in the past & have an account set up with the City, please renew your \$50 annual Vendor/Special Events license by paying online at <https://paylocalgov.com/Payment/SelectEntity/913> (you will need your license number & should select "general license"), calling 888-877-0450 or sending a check made payable to City of Harrisburg to the address below.

Harrisburg, PA 17101

If you have not participated in City events in the past and/or do not have an account set up with the City, please email: buslicense@harrisburgpa.gov (with Ice & Fire as the subject line) to obtain the necessary application. Vending permits are not transferable by sale or trade. If a vendor sells or transfers title to their business after being accepted in a City event, the letter of acceptance and any event permits issued by the City will be null and void. *NOTE: if you are a City of Harrisburg based business that has a Mercantile license, the above Vendor/Special Event license is a separate license that must be obtained to attend events in the City.

4. Vending Policy: Vendors may only sell the items listed on their application during the listed event hours, 11am-7pm. New items may not be added after acceptance has been granted. Vendors who have exhausted supplies or are eager to travel may not leave prior to the official end time of the event, unless dismissed by the event coordinator(s). Vendors who do not adhere to event published vending times will not be invited to submit proposals for future events.

5. Multiple Vending Spaces: Vendors may submit applications for more than one vending space, providing that the two locations requested offer different items. Acceptance of two different vending proposals from the same vendor does not indicate that the stands will be adjacent to one another. Stands will be arranged within a festival or event based upon the nature of the items offered. Vendors should make sure they have the resources and staff to operate two vending locations.

6. Check-In and Set-Up: All vendors must be available to check-in and set up during the listed set-up times when the City of Harrisburg event staff are on-site. Vendors are permitted to drive their vehicle to their space to set-up and tear down.

ALL OUTDOOR VENDOR SPACES MUST BE SECURED WITH 40LB WEIGHTS ON EACH TENT LEG. You may not increase the size of your vending space or bring supply vehicles or tent weights that require more space. All indoor vendor spaces will be located within the MLK JR. City Government Center - this space is designated specifically for artisans. The outdoor vendor spaces will be located in the closed street alongside other festival activities - the outdoor festival space also features non-artisan vendors, but all artisans will be grouped together in the same area. NO ELECTRICITY is available to outdoor vendors for this event. The indoor space will be illuminated & a limited number of wall outlets will be available. While there will be street lights outdoors, vendors located outside are encouraged to bring battery operated lights to ensure adequate lighting in the evening (sunset is at 6pm).

Free vendor parking is available on City Island.
